

JOINT PROGRAMMING INITIATIVE ON CULTURAL HERITAGE WORKSHOP:

FUNDED RESEARCH PROJECTS PARADE

Final agenda

20th-21st February 2017

Royal Institute for Cultural Heritage (KIKIRPA), Parc du Cinquanteaire 1, Brussels

Organization:

JPI CH – Joint Programming Initiative on Cultural Heritage and Global Change

With the support of: European Commission DG R&I - Royal Institute for Cultural Heritage (KIK-IRPA)

The aim of the Parade is to provide more visibility on JPI-CH activities and give a new impetus to cultural heritage dedicated research, by presenting most recent research results. Therefore, research results will be exploited and their foreseen impact put into perspective.

This parade will be supported by an interactive moment given by the “LABs” focusing on four identified thematic areas. Furthermore, the event will be the occasion to set new institutional relationships and strengthen the existing ones, in view of future collaborations.
